PREM STAR'S 'HERO McGUINNESS' STORM

Queen's message to his widow

THE Queen sent her condolences to the widow of ex-IRA kingpin Martin McGuinness, who has died at the age of 66.

McGuinness – once dubbed the Butcher of Bogside – was considered Britain's number one terrorist accused of ordering some of the IRA's most devastating attacks across Ulster and on mainland UK.

In an extraordinary journey he became a politician and deputy first minister credited with securing the 1998 Good Friday Agreement to end decades of fighting in Northern Ireland with the help of his enemy-turned-friend the Rev Ian Paisley.

The Queen shared an historic handshake with him in 2012, even though he was believed to have helped order the murder of her cousin Lord Mountbatten in 1979.

She sent a personal message of condolence to his widow Bernie, Buckingham Palace said.

Sinn Fein president Gerry Adams said his lifelong friend had been a "passionate republican who worked tirelessly for peace and for the reunification of his country".

Stephen Gault, whose father Samuel died in the IRA's notorious Poppy Day bombing in Enniskillen in 1987, said he would remember McGuinness only as a "terrorist".

"Had he been repentant my thoughts might have been slightly different," he said.

"But he took to his grave proud that he served in the IRA. There was no remorse from him even up to his death."

BELIEFS: WBA ace James McClean praised IRA man

PREMIER ACE WHO REFUSED POPPY MOURNS 'HERO' McGUINNESS

By MICHAEL McHUGH
news@sundaysport.co.uk

FANS reacted angrily last night after Republic of Ireland international and West Bromwich Albion star James McClean praised former IRA commander Martin McGuinness as a "hero".

McClean was born in the ex-deputy first minister's native Derry, or Londonderry.

He posted on social media: "You will be sorely missed Martin, a great leader, a great hero and above all a great man."

He said he looked up to the former Sinn Fein leader as: "A man that has done so much for Irish people and Irish people's freedom right to the very end."

He added: "He was also a good friend and someone I had the pleasure of having a good relationship with.

"A man I met so many times, had the privilege to share many a great conversation with, a man that always text me before games wishing me luck.

"A man that through the well-documented tough times off the field always let me know how brave I was standing by my beliefs, that I never was alone because I had his support and backing always."

But fan Sam Clarke tweeted: "James McClean is an enormous prick."

And @*safcking* posted: "Praising that scum McGuinness as a hero? Is that boy for real? Kick him out WBA. He's disgusting."

But other fans praised McClean for "sticking to his priciples".

The Irishman has courted controversy on several occasions in the past. He refused to wear a poppy on his shirt when he played for Sunderland in November 2012.

McClean has claimed he was vilified by Sunderland's fans over his stance.

In 2015 he, appeared to turn his back on the British national anthem during a West Brom pre-season friendly in the States.

Having played seven times for Northern Ireland at under-21 level, McClean, an Irish Catholic, also caused controversy in 2011 when he committed to the Republic.

Tebbit: 'I hope he's parked in corner of hell'

FORMER Tory Cabinet minister Norman Tebbit said he hopes Martin McGuinness is "parked in a particularly hot and unpleasant corner of hell for the rest of eternity".

The peer, whose wife Margaret was paralysed when the IRA bombed a Brighton hotel during the 1984 Conservative Party conference, said the world is a "sweeter and cleaner" place now the ex-deputy first minister is dead.

Lord Tebbit insisted the former IRA commander, who died from a rare heart condition, only turned to peace to "save his skin".

He said: "I'm just pleased that the world is a sweeter and cleaner place now. He was not only a multi-murderer, he was a coward.

"He knew that the IRA were defeated because British intelligence had penetrated right the way up to the Army Council and the end was coming.

"He decided the only thing was to opt for peace.

"He claimed to be a Roman Catholic. I hope that his beliefs turn out to be true and he'll be parked in a particularly hot and unpleasant corner of hell for the rest of eternity."

The bombing of the Grand Hotel killed five and left many injured.

Lord Tebbit said he refused to forgive because "forgiveness requires confession of sins and repentance".

MORSE CREATOR DIES

INSPECTOR Morse author Colin Dexter died yesterday, aged 86.

A statement from his publisher said: "With immense sadness, Macmillan announces the death of Colin Dexter, who died peacefully at home in Oxford this morning."

He was best known for penning the crime novels, which spawned the long-running TV series *Inspector Morse* and spin-offs *Endeavour* and *Lewis*.

Dexter's cerebral detective was first introduced in 1975 in his novel *Last Bus To Woodstock* and appeared in more than 10 other novels, as well as several short stories.

The author was known for making cameo appearances in the ITV drama series, which starred John Thaw.

Dexter was made an OBE for services to literature in 2000.

At the time, he said he would have liked to think his fictional detective would have bought him a celebratory whisky if he had been alive, but added: "Knowing him I doubt he would've done."

OJ TV gig is on the Kards!

PAROLE CHANCE: Simpson

PLOT: Kris *(left)* wants OJ to talk about Khloe *(right)*

REALITY matriarch Kris Jenner is hoping to entice old family friend OJ Simpson to join the cast of *Keeping up with the Kardashians*.

By JESS GALLEY

jess@sundaysport.co.uk

The 69-year-old American Football legend could be released from prison as early as October and mum-of-six Kris wants him to walk straight onto their E! show.

Kris met Simpson in the 1970s through her husband Robert Kardashian, who was a good friend of his and also part of his defence team during his infamous murder trial.

Rumours have been rife for years that Kris and Robert's youngest daughter, Khloe, 32, is actually OJ's child.

Shocking

An inside source said: "Kris thinks they could win an Emmy with OJ on the show, talking to Khloe about NOT being her dad."

"Kris can almost taste the attention and ratings it will get the show."

Simpson was found not guilty of the murders of his ex-wife Nicole Brown Simpson and her friend Ronald Goldman in 1995.

But 13 years after his shocking acquittal, he was arrested again and sentenced to 33 years behind bars for armed robbery and kidnapping in Las Vegas.

He is now expected to be recommended for release when the parole board meet to discuss his case in July.

The Anne Frank Centre for Mutual Respect told him: "No-one in Hollywood today is subjecting anyone to what the Nazis imposed on Jews in the 1930s."

I WAS A CHILD SEX SLAVE FOR RICH PAEDOS

Flown around world to be abused

ORDEAL: Victim Kendall told her shocking story to TV's Dr Phil

By COLIN HURST
news@sundaysport.co.uk

A WOMAN sold at birth has described her life of harrowing abuse at the hands of a "rich and prominent" international paedophile ring.

The victim, known only as Kendall, described being kept in a cage, raped and abused by her "owner's" clients at exclusive parties from as early as she could remember.

She spoke about her ordeal for the first time on American TV chat show *Dr Phil* yesterday.

On the show, Kendall revealed she was sold by her parents at birth and one of her first memories was believing it was normal for men to be fondling babies.

Kendall said: "They were all extremely rich and prominent in society.

"Sometimes they would just want to have sex with me and sometimes they'd make me have sex with different people.

"The clients were often physically abusive towards me.

"The clients were even allowed to smother me with a pillow or plastic bag while having sex with me but they were never allowed to leave bruises on my face.

"The man who owns me constantly manipulated me and did awful things to me. He would make me be a dog, make me eat faeces – I was kept in a cage.

"Sometimes he would electrocute me as punishment. He said that all of this was happening because it was God's will – because God made me for this."

Kendall claimed she had six fake passports, which were used to fly her across the world and attend black-tie events with clients.

Despite now being free from the man who enslaved her, she still referred to him throughout the interview as "my owner".

Man charged with 1-year-old boy's murder

A MAN has appeared in court charged with the murder of a one-year-old boy and the attempted murder of a girl believed to be the child's twin.

Both toddlers were discovered with critical injuries at a flat in Wilberforce Road, near Finsbury Park, north London, on Saturday night.

Dressed in a grey tracksuit, Bidhya Sagar Das *(above)*, 33, of Wilberforce Road, appeared at Thames Magistrates' Court and spoke only to confirm his identity.

He is due to next appear at the Old Bailey on Thursday.

The children – named in court documents – were taken to hospital after an incident at the same address.

The boy, Gabriel Bibekdas Sonu, died in the early hours of Sunday morning.

The girl, Tusidas Maria Das, has been operated on and is in a critical condition.

A post-mortem examination in relation to the boy was due to take place at a central London hospital.

WOODY Harrelson has given up marijuana after decades of what he calls partying too hard.

He cited "30 solid years" of partying for his decision to quit, adding he felt like the drug was "keeping me from being emotionally available".

The 55-year-old still had nothing bad to say about marijuana, which he calls "a great drug", and said he drinks alcohol in moderation.

TANYA: I NEED SEX EVERY DAY!

PREMIER League WAG Tanya Bardsley says the key to a happy marriage is having a daily BONK.

The 35-year-old former glamour girl said she and footballer hubby Phil, who plays for Stoke City, make time to do the deed every single day.

Mum-of-four Tanya confessed that their daily shagging ritual not only keeps Phil, 31, happy, but it also gives them both more energy.

She said: "I think the secret is, look after your man, or another woman will!

"That's my top tip! And I mean every day.

"We have sex every single day – it gives you more energy and keeps you close."

Tanya, who also stars in ITVBe's *The Real Housewives of Cheshire*, tied the knot with Phil in 2014.

READY TO MINGLE: Single Kylie

FORMER *X Factor* judge Dannii Minogue is playing matchmaker in a bid to try and hook older sister, Kylie, up with her perfect man.

Reports suggest that Dannii, 45, never liked Kylie's ex-boyfriend, Joshua Sasse, 29, and after the couple split in January, Dannii is helping her sister get back into dating.

By BECCA STUBBS
becca@sundaysport.co.uk

Dannii wants to see her sister settle down and has set 48-year-old Kylie up on a number of online dating websites.

However, Dannii has disguised her sister as a twerking Australian NURSE in a bid to ward off gold diggers.

A source close to the Australian sisters said: "Kylie is down in the dumps, and her family think she needs to start dating soon.

"She was destroyed by the end of her romance with Joshua and had completely sworn off men – and that's where Dannii is stepping in.

Physical

"She's created a profile on a few online dating sites to try to find appropriate guys for her sis. She's basically described all Kylie's wonderful physical and personal qualities – minus the fame and cash, of course!

"Kylie is now a nurse…a nurse who likes twerking and Aussie soap operas!"

Even if the blokes should strike gold and bag a date with the pint-sized pop princess, they're in for a tough time when it comes to sister Dannii.

Sources claim Dannii has hired an assistant to 'interview' potential dates for her Kylie and will examine their finances and wealth.

Kylie is described as a 10 out of 10 on her dating profiles and there's specific men who need not apply.

The source added: "Dannii wants to find Kylie a businessman who can travel the world with her and not be bogged down by meetings."

Jean, 47, wrote: "Another case of mistaken identity. Black man with a red bandana robbed a gas station as I was in the studio working…but I'm in handcuffs?"

An LAPD spokesman later said Jean's clothing and vehicle matched the description of a suspect in an earlier armed robbery.

FORMER TOWIE babe Pascal Craymer was covered in bodypaint for a new campaign with online betting brand Bodog.

Despite the 29-year-old claiming she wanted to remove her breast implants last year, she proudly showed off her surgically-enhanced 34DD bust for the sexy shots.

She left little to the imagination in a body paint sports jersey and teamed her raunchy topless look with a tiny black thong.

Pascal's assets were on full display for the betting promotion – and they have previously caught the eye of Mario Falcone and England footballer Ashley Cole.

TOWIE star Charlie King confesed he would consider donating his SPERM to ex Gemma Collins.

The 29-year-old reality star dated Gemma *(below right)* when he starred on the ITV Be reality show, before coming out as gay on *This Morning* in 2014.

But fitness guru Charlie said he's still close to the plus size fashion designer and would definitely be open to knocking her up in the future.

Charlie said: "Miss Collins is very unpredictable – she's not sprung the sperm donor thing on me yet.

"I would like to become a dad, it's amazing having a baby in the family.

"She hasn't asked me yet, but if she did I'd have to really think about it."

KYLIE Jenner is believed to have bagged her own TV show following her global success.

The 19-year-old reality A-lister has been in the spotlight since her childhood, thanks to her famous family, the Kardashians.

However, the youngest sister is now set to branch out on her own, having seen her empire boom in the past year.

An insider said: "Kylie is so excited, it's going to be all about building her business and hiring people for her team.

"She wants the show to be all about her."

After she successfully launched her lip-kit range, the teenager *(right)* built on the success and now has a make-up line which sells out within hours.

Marnie: My fanny is so fit!

GEORDIE babe Marnie Simpson reckons she has a particularly good-looking FANNY.

The 25-year-old reality star boasted about her attractive nether regions and said she's pretty proud of how she looks down there.

Marnie offered her own advice on how to keep your mimsy in tip-top condition, after reading Khloe Kardashian's recent advice on how to maintain your private parts.

And while Khloe, 32, reeled off a list of intimate products to use – including Goodwipes and The Cool Fix soothing balm – Marnie reckons all you need is a RAZOR.

Marnie, from South Shields, said: "It's hilarious that Khloe Kardashian has revealed her eight-point plan for the perfect lady garden.

Romping

"I've always said I have a very good-looking vagina, so I don't need much help in that area.

"In fact, I'm proud of it!

"My biggest tip would be to shave – no one wants it to be hairy!"

The MTV star isn't shy about showing off her 'good-looking vagina' either, as she's been snapped on several occasions after going out commando.

And the brunette stunna also bared all during her stint in the *Celebrity Big Brother* house last summer, when she emerged from the shower stark naked after romping with former TOWIE star Lewis Bloor.

TELLY hunk Stephen Bear has landed the LEAD role in a MOVIE.

The 27-year-old might have shot to fame on the likes of *Ex on the Beach* and *Celebrity Big Brother*, but the former roofer wants to move away from reality telly and launch an acting career.

Stephen admitted he has penned a script and, not surprisingly, has given the starring role to HIMSELF.

Charlotte Crosby's boyfriend *(right)* said: "I've written a movie which I'm filming this year.

"I'm going to be the lead – as well as a documentary I've recorded myself."

He also admitted he's planning to settle down with his *Just Tattoo Of Us* co-star Charlotte and wants to have a baby with her.

Maitland squeezed her curves into the see-through dress and a saucy pair of fishnet stockings as she posed for a fashion shoot for Rubber UK.

WE all wish we could chug a beer and still look as good in the nude as Emily Ratajkowski.

The 25-year-old model is hardly ever seen wearing clothes these days – as she clearly prefers to show off her incredible figure in skimpy swimwear.

Brunette Emily squeezed her eye-watering knockers into this tiny white bikini recently as she soaked up the sun in Malibu, California, with her boyfriend Jeff Magid.

The babe struggled to keep her famous boobs under wraps in the tiny white two-piece as she sipped on a beer on the beach and flashed her cheeks in the thong bikini bottoms.

One onlooker said: “Boobs, bikini and beer? Hell, she’s my ideal woman!”

Phone death crash lorry driver jailed

POLICE have released dramatic dashcam footage of a lorry driver using his mobile phone as he crashed into a broken-down car, killing a 21-year-old motorist.

Dariusz Tokarczyk, of Harrogate, North Yorks, was jailed for four-and-a-half years after pleading guilty at Reading Crown Court to causing the death by dangerous driving of Jodie Moss, from Swindon, Wilts, on March 22 last year.

The 47-year-old (*above*) was driving his lorry on the southbound carriageway of the A34, just north of the M4 junction at Chieveley, Berks, when he drove into the back of Ms Moss’s Vauxhall Corsa.

A Thames Valley Police spokesman said: “He did not see the car in time to avoid it because he was looking at his mobile phone.

“Her car suffered an engine failure and was stationary in the inside lane. She had switched on its hazard lights.

“The road was not busy and other drivers are seen to manoeuvre past her. Tokarczyk’s vehicle drove straight into hers.”

More Brits retire with no pension

ONE in seven people retiring this year will have no private or company pension to rely on, a survey has found.

Some 14% of those planning to retire in 2017 have made no provision for their retirement, according to Prudential.

More than one in 10 (11%) of those retiring this year expect to be totally or somewhat reliant on the state pension when they stop work.

The research suggests that women retiring this year are more likely to have made some private pension provision than women retiring in 2016.

Meanwhile, 9% of men retiring this year will not have a private pension – a slightly higher figure than the 7% of men who said this when similar research was carried out last year among people about to retire.

BASH CLASH: Tom and band will watch Vardy and co before their gig

Kasabian won't go on stage until Foxes Euro clash finishes

By KARL GRAFTON news@sundaysport.co.uk

ROCKERS Kasabian say they will not go on stage for a gig on the same night as Leicester City's Champions League quarter final until it is over.

The footie-mad Leicester band announced it will be touring the UK at eight shows from April 12-22, including the O2 Forum in Kentish Town.

But the gig, on April 18, clashes with Jamie Vardy's Foxes' home match against Atlético Madrid. The band are lifelong fans of the club.

Tom Meighan and Serge Pizzorno warned fans they would be going on stage late that night.

Tom said that when details of the last-eaight clash emerged "we were going mad".

Serge said: "Soon as we got through, the diary was the first port of call – and we're definitely going to go on late.

"We'll go on after the game, so if you're coming to that show and it goes into extra time we won't go on until it's over."

Should the football match go into extra time and penalties it might not finish until around 11pm.

The gig is currently scheduled to finish at that time, which is generally about when concerts at the venue end.

It is understood shows can finish after 11pm when required.

MP calls for cowboy finers clampdown

DRIVERS need greater protection from "cowboy finers" doling out unfair charges in private car parks, a Tory MP has said.

Kevin Foster, MP for Torbay, called for tighter regulation of independent car parks that issue charges to drivers on breaches of contract.

MPs heard how vulnerable and elderly people are intimidated by official-looking demands from these companies, who hound drivers for payments using details obtained from the DVLA.

Some of these firms base their business model on catching people out in minor errors, Mr Foster claimed.

Leading a Westminster debate, he said: "We got rid of the cowboy clampers but I think the suspicion is that they have become the cowboy finers and the cowboy invoicers."

Call for new Time Lord to be transgender

GIVE IT TO ME: India wants to be the Doctor

By HAZEL GROVE

news@sundaysport.co.uk

TRANSGENDER news journalist India Willoughby has called for the first transgender Doctor Who... and said she would like to be the one to step into the Tardis.

It follows widespread demand that the next Doctor be a ~~woman~~ – with Olivia Colman, Tilda Swinton and Maxine Peake among the actresses tipped to take over the part when Peter Capaldi steps down.

Willoughby said the moment had arrived for the new Time Lord to be played by a transgender star.

Enemies

She tweeted: "I'm throwing my hat in the ring. Time for a transgender Dr Who. Regeneration not a problem @bbc5live @ChrisChibnall."

Emoji monsters, a giant sea creature and old enemies like Daleks and the Cybermen are among the hazards Doctor Who will face in the new series.

The BBC has unveiled a trailer for the 10th series of the sci-fi hit, revealing that the Doctor will face foes old and new and will travel to places such as Mars, Egypt and back to 1814.

The trailer gives fans a good look at Pearl Mackie as the Doctor's new companion Bill Potts, taking over the sidekick role from Jenna Coleman.

Capaldi will play the lead role throughout the 10th season before making his swansong as the Doctor in the 2017 Christmas special.

Doctor Who returns to BBC One on April 15, with the first episode titled *The Pilot*.

CSIs are bloody great!

BLOOD spatters and saliva at crime scenes can reveal the age of a missing victim or suspect using a new forensic test.

Scientists at King's College London have developed a technique which uses artificial intelligence to analyse age-related biomarkers.

The technique was able to predict the age of sample donors to within an average of four years.

Dr Denise Syndercombe-Court said: "This could provide a basis for combined analysis techniques that would be of substantial value in forensics in the future."

Ken blasted for slagging off Deirdre

CORONATION Street stalwart Ken Barlow has incurred the wrath of viewers with a disrespectful comment about late screen wife Deirdre.

Ken, played by William Roache (*above*), upset fans when he tried to convince pregnant Sinead Tinker to leave his son Daniel Osbourne so that he could take up a university place at Oxford.

In the scene in Monday night, Ken said: “Not once did I have with Deirdre the conversation that I craved. There was never any real meeting of minds.”

One annoyed fan, *Steven_A_Lomas*, tweeted: “That’s NO way to sum up your life with Deirdre, is it Ken? You’ve gone down in my estimation fella. R.I.P. Anne x”

Tweeter *izzles25* said: “Ken is bang out of order #coronation street it’s not nice to say things of Deirdre especially when she was so important to him.”

And *@thekindlekid* tweeted: “Ken is mugging deirdre off in a major way. I’m not impressed.”

LISA APPLETON

By BECCA STUBBS becca@sundaysport.co.uk

REALITY star Lisa Appleton has revamped her career in recent months and is keen on finding Mr Right to enjoy kinky sex sessions with.

The 49-year-old first found fame on *Big Brother* in 2008 when she entered the infamous house with ex-husband Mario.

Viewers got a glimpse of her raunchy antics in the house – but they were nothing compared to her latest sexy outings.

Dubbed Warrington’s answer to Kim Kardashian, Lisa has been snapped wearing nothing but a body stocking and is regularly papped flashing the flesh.

However, she insists it’s nothing new to her and explained: “It doesn’t faze me, I’m used to it. And it’s who I am.

“All the outrageous behaviour is completely me. In *Big Brother* I was putting fake tan on naked, in my bikini or underwear every day, it’s nothing new to me.

“People call me mental and I’m controversial but I’m enjoying myself again, I’m free and in all my glory! That’s who I am, that’s Lisa!”

Her reality revival has also seen her jet off around the world. She’s been spotted enjoying herself in Spain and Mexico and having a naughty trip to Amsterdam.

On all her exotic trips, she’s had near mishaps with her bikinis and loves to roll around in the frothy waves.

Lisa says she’s loving her new lifestyle and revealed: “Lately I’ve been to events, made appearances and done launches all over the country.

“I’ve been to Mexico, Amsterdam and Spain too! It’s perfect for me, I love adventure.

“If I listened to everyone else, I’d never get anywhere. What have I got to lose?

“I love frolicking around in the sea, I just need a fella now to do it with. Everyone does it when they’re on holiday – I just got caught on camera!”

Despite her marriage ending eight years ago, Lisa is on the hunt for a hunky toyboy who can keep up with her in the bedroom.

In the bedroom, Lisa loves sexy lingerie and she also can’t get enough of outdoor fun with a fit fella.

Saucy

“I’m adventurous and spontaneous in the bedroom and I need someone who’s the same,” she said.

“It takes a strong man to be with me! They also have to enjoy a roll around in the sea! I like a roll around in the sea and a bit of a romp.

“I love wearing sexy lingerie because it shows off my best assets.

“Nice basques, silk dressing gowns and stuff are all sexy too.

“My favourite sex positions are doggy, me on top and missionary. Sometimes though, when you’re just out and about, a saucy stand-up romp is just as good!”

“A sex tip from me would be to surprise your man and dress up in something sexy. Shock them every now and again with a change in position or shag them outside! Be unpredictable.”

Her fetish for exhibitionism also extends to a naughty sex session she had in a stand-up sunbed.

She’s not averse to stripping off in front of the cameras – and if *Playboy* came calling, Lisa said she’d definitely go nude.

She confessed: “I’ve shagged in a stand-up sunbed in a spa. The sunbed was in the pool area of the hotel and all around the outside of it there were people lying on beds and we were inside going at it for a while!

“It was roomy inside though. Everyone’s shagged in a toilet, haven’t they?

“I’ve tried to bonk in a sauna but we both got far too hot. I’ve romped up a mountain too.

“I’d definitely do *Playboy*

EXCLUSIVE INTERVIEW:

I love doggy & me on top ...but when you're out and about, a stand-up shag is just as good!

though if it came up, and if they paid a decent wedge! I'd also do glamour work as well.

"At the moment, I wouldn't do a sex tape. For years, I've had offers to do porn but it's just not for me, I prefer to keep that private."

Lisa hasn't always had it so easy. She was the victim of a conman after leaving the *Big Brother* house and, following her divorce, ended up on benefits.

Channel 5 picked up her story and featured her on *Celebs on Benefits* – and from then on she's been in every paper and magazine on a weekly basis.

Having her pictures splashed all over the national news has seen Lisa experience a backlash from social media trolls.

People often call her a 'whale' but former bodybuilder Lisa isn't fazed by the online abuse and reckons they're just jealous of her and need to have a good time, just like she's having.

She said: "People do call me fat and call me a whale. But I don't care, they're just jealous because I'm getting through life having a good time.

"My favourite body parts are my boobs and my bum. I like my curves and from my experiences with men, they prefer it too!

"Who wants a bag of bones?! A bone-on is okay, but not a bony body!"

Now Lisa wants to come full circle and have her moment on reality TV again.

Romp

She reckons *I'm A Celebrity… Get Me Out Of Here!* would be perfect for her reality TV comeback – but she also wouldn't rule out a return to *Big Brother*.

Either way, she's promised tons of sexy scenes and has her eye on bagging herself a brand new toyboy.

Lisa said: "I'd be up for any TV show. I do fancy the jungle, I'd enjoy the trials and I like to challenge myself. I'd love to get in the elements and have a good roll-around and find my Tarzan!

"I'd want a toyboy in the jungle and I'd definitely want some action. Three weeks is too long.

"I'd strip off, have a roll-around in the mud and have a romp. I'd just be me – crazy.

"I love *CBB* – I'd definitely do that, I feel like I'd dominate that. I did well when I was last on ther,e so I'd go on and go for it and look for love.

"I'd do the exact same if I landed a place in *CBB* too. I'm not holding back any more, I'm free and single now!"

Preggers Lucy shipped off to Ireland!

EMMERDALE star Lucy Pargeter has spilled the beans on the storyline that sees her being signed-off for maternity leave.

The actress plays village favourite Chas Dingle and is expecting twins in real life, who are due in May.

Lucy, 40, said her character will be temporarily written out of the Yorkshire Dales-set soap which she has starred in for the last 15 years.

Chas has been taking care of Liv Flaherty (Isobel Steele), her son Aaron's (Danny Miller) half-sister while he is in prison as her mum lives in Ireland.

Lucy said: "Liv's mum has had an accident in Ireland where she lives and Chas sees herself as Liv's acting mother because Aaron is in prison still.

"She decides to take Liv over to Ireland to see her mum.

"It'll be me gone for a while, but not too long, depending. I'll be back very soon.

"Fictionally, I'm in Ireland, having a lovely summer."

Tiger crushed by rescuers

CONSERVATION bosses are investigating the death of a tiger that was crushed by an earthmover in a bungled operation by rescue workers to move the endangered animal back to a wildlife park in northern India.

Officials from the National Tiger Conservation Authority questioned workers from the Corbett Wildlife Park, a local zoo and villagers in the Himalayan foothills to determine what caused the tiger's death.

The big cat had reportedly killed two people near Bailpadav village last week.

Forest rangers tracked the tiger and tranquillised it. But the animal was crushed when rescuers used a digger to try and scoop it up, and return it to the Corbett Reserve.

More than 120 tigers died in India last year.

GP's heroin suicide over sex claims

A DOCTOR killed himself with a heroin overdose hours after discovering he was being investigated for sexually assaulting two patients.

GP Philip Schuppler, 58 (*above*), was found dead at his flat in Solihull, West Mids, in November, hours after he was asked to stop practising over the allegations.

An inquest into his death heard how West Midlands Police had been investigating Dr Schuppler since September following a complaint of historical sexual assault.

But on October 31, a second person made allegations of sexual assault against him.

The following day, NHS bosses asked the doctor – a partner at Swanswell Medical Centre, who previously appeared on BBC's *Panorama* to talk about diabetes – to stop working while the investigation took place.

Hours later, he sent a suicidal text to his son, who alerted police. He was found dead in his flat that afternoon.

An inquest into Dr Schuppler's death returned a verdict of suicide.

IN 2014, Italian parliamentary barbers had their annual salary cut from £106,000 to £77,000 as an austerity measure.

Sex attack on Facebook Live

FIVE or six men or boys suspected of sexually assaulting a 15-year-old girl on Facebook Live are being hunted by cops.

Detectives had found the girl and reunited her with her family after she went missing on Sunday.

Spokesman Anthony Guglielmi said about 40 people viewed the attack on Facebook while it was happening, but none of them reported it.

He said Supt Eddie Johnson was leaving a station in Chicago's West Side on Monday afternoon when a woman came up to him with photos of her daughter apparently being sexually assaulted on Facebook.

He said Supt Johnson immediately ordered an investigation and the department contacted Facebook to take down the video, which it did.

NICOLE: I GET NAKED IN X FACTOR DRESSING ROOM ...WITH LOUIS!

X-CITING: Louis (*below*) got to see Nicole in the buff

By BECCA STUBBS becca@sundaysport.co.uk

STUNNING Nicole Scherzinger says Louis Walsh has seen her NAKED loads of times.

The 38-year-old singer said she has been asked to return to the *X Factor* and reckons fellow judge, Louis, 64, will be chuffed.

Nicole, says that she's so close with Louis that he often comes into her dressing room as she's getting changed.

He also regularly teases her about the boob job rumours which have circled the former Pussycat Dolls star – but she says it's all "banter".

Nicole said: "Oh Louis always says stupid things like that to ruffle my feathers. It's just banter. He sees me naked all the time.

Impressing

"He was always in my dressing room when I was getting ready. We're really close, he's always there for me. We don't see each other between series, but if I was in a room with him, Simon and Mrs O we'd pick up right away."

American-born Nicole first appeared as a judge on the U.S. *X Factor*, replacing Cheryl after Simon Cowell gave the Geordie babe the boot.

After impressing 57-year-old music mogul Simon, Nicole then bagged a spot on the revamped UK judging panel in 2012, alongside Gary Barlow, Tulisa and Louis.

However, she decided to call time on her judging to focus on releasing new music and was replaced by fellow pop beauty, Rita Ora, 26.

But it wasn't long before Nicole was back on familiar territory and enjoyed her second stint on the music talent show last year, though she's yet to decide whether to return for the 14th series when *The X Factor* returns later this year.

Nicole said: "I have been asked. And I don't know yet. We'll see. I might. But I want to get back to creating."

AS BRITAIN'S GOT TALENT BABE GOES

There's nowt Holden 'em up!

SUITS YOU: Amanda put on a perky show in London

By JESS GALLEY

jess@sundaysport.co.uk

TELLY babe Amanda Holden stepped out and flashed more than she bargained for last week.

The 46-year-old showed off her perky nips as she went braless in a revealing white suit jacket for a night out at London's Coutt's Bank.

And the *Britain's Got Talent* judge has form when it comes to flashing her perky breasts, as she's previously bared all on several occasions.

Flaunted

Amanda, who is currently starring in West End show *Stepping Out*, turned heads on the red carpet in 2015 in this skin-tight green frock.

And the mum-of-two also ditched her bra for an appearance on *The Graham Norton Show* in the same year as her pokey nips peeked through her slinky purple gown.

She also revealed all when she stripped off and flaunted her norks on the beach as she was snapped sunbathing topless on holiday.

BRALESS YET AGAIN...

RITA ORA GETS A PANIC ROOM AFTER RAID TERROR

By JESS GALLEY jess@sundaysport.co.uk

POP babe Rita Ora is said to be living in FEAR after her home was broken into 18 months ago.

The *Hot Right Now* singer is so scared of a repeat of the crime that she's shelled out to have a PANIC ROOM built into her house.

Rita has reportedly paid £20,000 to have the state of the art room installed by her bedroom – along with CCTV cameras, electronic gates and motion-sensor lights.

A source close to the star said: "Rita is still incredibly shaken up by what happened that night and continues to have horrendous nightmares.

Scarred

"Although the perpetrator is in prison, it has not eased her peace of mind – and she has been living in almost constant fear that something similar would happen again.

"Because Rita is in the public eye, she remains a target for thieves so she had a security team completely overhaul her personal security.

"At the press of a button, a huge steel wall slides down from the ceiling, blocking her off from any intruders.

"From here, she can call police and any would-be burglars cannot touch her. It was expensive, but you cannot put a price on safety."

The 26-year-old was left 'mentally scarred' by the incident in 2015 when Charaf Elmoudden broke into her £1.3million London home while she was sleeping.

He fled with £200,000 worth of iPhones, Apple Mac computers, jewels and designer handbags belonging to the *America's Next Top Model* host.

But the singer's sister Elena, who lived with her at the time, woke up to find the burglar rooting through her personal belongings and alerted Rita.

At the trial in June last year, the court heard Rita's panicked 999 call as she begged the police to come.She said: "Don't f**king come up these stairs. I will f**k you up,.

"I have just locked myself in my room, my sister saw him in my room. Can you just send them right now?

Elmoudden was sentenced to five years in jail for the crime.

MUM AND SON'S INCEST PLEDGE

KEEPING IT IN THE FAMILY: Monica and Caleb

A MOTHER and son who pleaded guilty to INCEST insist they'll stay together despite a court order banning them from seeing each other.

Monica Mares, 37, gave her son Caleb Peterson, 20, up for adoption at birth but claims they "fell in love" when they met for the first time, when Caleb turned 18.

They were arrested in February 2016 after a neighbour alerted cops.

After their guilty plea they were instructed by the court to stay away from each other for 18 months.

But mum-of-nine, Mares, has said she would give up the right to see her other children if she had to choose between them and her bonks with her boy.

The couple started their relationship in 2015 when they got in touch via Facebook and arranged to meet at his adoptive father's house.

They had sex a few weeks later and went to live in her mobile home.

Mares said: "I told him, 'I'm sorry I don't know how you are going to react to this. I'm your mom and you're my son'."

Although incest in illegal in all 50 states in America, the punishments vary and the couple are looking to move from Clovis, New Mexico, to avoid trouble.

Corrie Adam grabs big part on Hollyoaks

FORMER *Corrie* actor Adam Rickitt has traded soap cities – with a move from Manchester to Chester.

The 38-year-old soap star, who played Nick Tilsley on *Coronation Street* until 2004, will join the cast of C4's rival soap *Hollyoaks*.

He'll play Nancy Osborne's ex-boyfriend Kyle and will appear on screen in April.

He said: "I am really happy to be joining *Hollyoaks*. I've had a lot of friends work on the show throughout the years and they've all told me what an amazing place it is.

"It's really good to be a part of such a welcoming crowd.

"The key interest for me was in the storylines lined up for Kyle. I think they are amazing, taking the character on a real journey and something I am really enjoying playing a part in.

"Fingers crossed the audience like the surprises as they keep coming..."

Adam joined the ITV soap in 1997 and stayed for two years before releasing hit single *I Breathe Again*.

OUTER space is only one hour's drive away – if you could somehow drive your car straight upwards.

Galloway in bid for Kaufman seat

FORMER Labour and Respect MP George Galloway has thrown his hat into the ring to succeed Sir Gerald Kaufman as MP for Manchester Gorton.

Mr Galloway – who was expelled from Labour in 2003 – will stand as an Independent candidate in the upcoming by-election triggered by the MP's death last month.

He said ousting Labour from a stronghold which it has held since 1935 and won by a margin of 24,000 votes in 2015 would be "the mother of all by-election victories".

STAR'S LESBO HINT

KATY PERRY: I DID MORE THAN JUST KISS A GIRL

(...and she liked that, too!)

BUSTY pop babe Katy Perry has hinted she's had a LESBIAN fling – and claims she has done MORE than just kiss a girl.

The 32-year-old singer was giving a speech at the Human Rights Campaign Gala in LA and spoke about how she'd done more with girls than people know about.

Katy discussed her strict religious upbringing when she received the National Equality Award on Saturday evening.

However, the *Chained to the Rhythm* star also shockingly revealed she may have experimented with her sexuality in her younger days.

Katy also claimed she tried to 'pray the gay away' during her time at Jesus camp which she was sent to as part of her Christian childhood.

becca@sundaysport.co.uk

Homosexuality

She confessed: "When I was growing up, homosexuality was synonymous with the words 'abomination' and 'hell'.

"I speak my truths and I paint my fantasies into these little bite-sized pop songs...for instance, 'I kissed a girl and I liked it'.

"Truth be told, I did more than that.

"What I did know was that I was curious and even then I knew sexuality wasn't black and white.

"Honestly, I haven't always gotten it right, but in 2008 when *I Kissed a Girl* came out, I knew that I started a conversation that a lot of the world seemed curious enough to sing along to.

"Suffice to say, it's been a long road for me, and I'm sure a long road for many of you out there. I would have not chosen a different road. Priceless lessons have been learnt."

Katy has enjoyed a number of high-profile relationships during her pop career.

She recently split from Hollywood actor Orlando Bloom, 40, after less than a year of dating.

Singer John Mayer also caught the singer's eye, as did British comic Russell Brand, 41, who she married in 2010.

Olivia is a rose between two horns!

REALITY telly beauty Olivia Buckland flashed her nips in a completely sheer black top in this saucy Instagram snap.

The 23-year-old blonde bombshell isn't shy when it comes to flaunting her body – but she took things one step further in this racy outfit.

Olivia posted the sexy selfie on social media and her top failed to disguise her impressive boobs and huge chest tattoo.

She captioned her picture: "Roses in all the right places", as her see-through top was decorated with tiny red flowers – strategically placed over each nipple.

One fan said: "Sweet baby Jesus, I'd love to nip Olivia in the bud!"

ALWAYS HOME OF TOPLESS BABES

Angelic

TOPLESS hottie Angelica might look like an angel but she claims she's a HORNY DEVIL between the sheets.

The 24-year-old bronzed beauty looks stunning in these poolside snaps – and the 32D stunna awards herself top marks for her bedroom skills.

By BECCA STUBBS
becca@sundaysport.co.uk

Angelica, from Romford, Essex, said: "I love going on holiday and sunbathing topless. I love the attention I get when people stare at my boobs.

"It gets me turned on knowing people are looking at me and, if I'm with a man, the lucky fella will be in for the night of his life when we get back to the hotel.

"I'd say I was a ten out of ten in the bedroom. I love kinky sex, and teasing each other with foreplay is my favourite part.

"Public sex also gets me going and a day of topless sunbathing always leads to a naughty hotel balcony bonking!"

CHARLTON FAN 'PUNCHED PALACE EAGLE IN RIOT'

FLIGHTING MOOD: Kayla was allegedly punched by Boylett (*inset*)

By HELEN WILLIAM news@sundaysport.co.uk

CRYSTAL Palace's American bald eagle football mascot was punched by a rival fan, a court heard.

Kayla, a 25-year-old bird of prey, was targeted by a Charlton Athletic supporter when violence broke out during a Capital One third-round tie at Selhurst Park, Croydon Crown Court was told.

Daniel Boylett, 36, of Eltham, south east London, denies attempted criminal damage in the alleged attack.

Abuse

Kayla's handler Chris Belsey had been walking around the pitch with Kayla on his arm when a punch was thrown from the crowd, the jury heard.

Prosecutor Daniel Higgins said: "As he passed the stand he noticed three or four fans were shouting abuse and one of these leant over the barrier and threw a punch directed at Kayla.

"He pulled Kayla away slightly to keep her from any further attack."

Mr Higgins said Kayla "seemed unhurt" but added "due to her delicate bone structure if she had been hit with force, her bones could easily break".

He said there "is no dispute" Boylett threw the punch but questions may surround whether he intended worse to happen.

Boylett appeared in the dock with Colin Kitto, 49, of Eltham, Andy McConville, 48, of Rochester, Kent, Billy Cowcher, 32, of Greenwich, south east London and Sam Donegan, 25, of Welling, Bexley, in south London, who have been charged with the football violence. McConville, Boylett and Kitto each deny two counts of violent disorder.

Cowcher and Donegan each also deny a charge of violent disorder.

Police estimate that "100, possibly several hundred" people may have been involved in the trouble at the derby game on September 23, 2015, which Charlton lost 4-1.

The trial continues.

Lauren: I can't wait to shag lag!

TOWIE's Lauren Goodger can't wait to shag her jailed boyfriend and plans to seduce him with nice undies and a sexy dance.

The 30-year-old reality star (*above*) has been dating convicted criminal Joey Morrison, 31, but they've not been intimate.

Joey is serving 17 years for drug-related crimes and is set for release in March 2018, after serving half of his sentence.

But Lauren can't wait to bonk Joey when he's released and has planned their romp in detail.

She said: "Joey's going to be knackered when we're finally alone!

"My underwear is going to be unreal.

"And I want to perform a Beyoncé dance for Joey, maybe using a chair!"

DNA proves Brit is dad to £1billion heir

A MARKET trader who landed a top city job before being made homeless has finally won a decade-long battle to prove he fathered the heir to a £1billion fortune.

Steve Marston spent his entire life savings on a legal battle with one of Europe's wealthiest dynasties to prove the paternity of the boy, now aged 12.

DNA tests were ordered by a judge in Luxembourg, which showed that there was a 99.9999 per cent chance of Mr Marston, from Southend-on-Sea, Essex, being the child's dad.

Now, the barrow boy turned city trader is seeking up to £9.5m from the mother's family as reparation for his 'decade of hell'.

The 49-year-old claims to have had a six-year relationship with the boy's mother, a half-British woman and heir to a Luxembourg media tycoon's fortune.

He and the woman got engaged in 2006 before he discovered she'd already married another man the year before.

'Lucky coins' turtle is dead

A 25-year-old green sea turtle, which swallowed hundreds of coins thrown by tourists seeking luck and longevity, has died two weeks after having surgery to remove the coins from her stomach.

The turtle – nicknamed Omsin, or "Piggy Bank" – died on Tuesday after having nearly 1,000 coins removed from her stomach in a four-hour operation in Thailand.

Omsin had been rescued by sailors who saw her ailing in the seaside town of Sattahip. She was examined by a vet who found the coins inside her stomach.

The weight of the money inside her had cracked her underside shell. Omsin appeared to be doing well after the op, but a check-up revealed problems and vets performed a second two-and-a-half-hour operation, but Omsin never woke up.

'Colonel Gaddafi' caged for biting off man's ear

SAVAGE: Geraint Jones

A FORMER soldier who went out for Halloween dressed up as Colonel Gaddafi and then bit part of a man's ear off in a "savage" attack has been jailed for 16 months.

History and politics student Geraint Jones became upset after being shoved and pushed at the bar of an Aberystwyth pub during a boozy night out, Cardiff Crown Court heard.

The 25-year-old had dressed up with friends for a "bad taste" pub crawl and was in the Academy bar when, the judge said, he "purposefully" returned to the bar to exact his "revenge" on the man he believed responsible for the pushing and shoving.

By JOHANNA CARR
news@sundaysport.co.uk

Using his teeth while dressed as the Libyan dictator on October 31, 2015, Jones bit Gwynant Jones's ear, resulting in part of it being severed.

The court was told the man's ear lobe was found on the floor by a barman, but it could not be reattached.

Judge Geraint Walters said: "You now accept that in your state of drunkenness that you misidentified that man.

"The man that you chose as your victim was wholly innocent of any wrongdoing. In drink, you then decided to bite your victim's ear. That is the most savage use of force."

The court heard Jones, who served four years in the Army, including a tour of Afghanistan, pleaded guilty to inflicting GBH on Gwynant Jones, 25, but denied the more serious charge of causing GBH with intent and was found not guilty of that offence by a jury last month.

His defence said Jones was: "...deeply ashamed and remorseful."

VICTIM: Innocent Gwynant Jones

Brexit? It's about time!

WELL, it's about time that we did something about Brexit!

It's been nine months now since we voted to leave the European Union and until this week nothing had really been done – except some bickering in Parliament.

So I was pleased to hear the news that Theresa May will be triggering Article 50 next week.

I know the people who voted to remain aren't too happy that it's going ahead, but we live in a democracy and the vote went through as a majority, so we just have to give it our best shot!

It would have been a joke if they'd gone back on it.

Yes, the outcome is uncertain but we could walk away with a better deal than we had to begin with.

People need to just sit it out and see what happens over the next two years.

Raising cash for good cause

LAST week I spent the day at a local hospice, called Chestnut Tree House. We were invited down because one of my friends, former Southampton footballer Paul Jones, and his wife raised an incredible £200,000 for them.

The work they do there is so important and so valued by those they help, that I felt very blessed to have the chance to go down there, meet the staff and see it all myself.

Don't forget to tune in, folks!

● TONIGHT'S the night to see me on Studio 66 TV, guys, as I'll be taking your calls from 10pm on Sky channel 912 and from midnight on Freeview 185.

If you can't tune in, head over to *www.harddrive.xxx* or log on to *onlyfans.com* where I'll be uploading brand new content – for your eyes only!

● IT'S Red Nose Day this Friday, so while you're reading my column spare a thought for me as I slave away in the kitchen in my chef's hat, making cupcakes for my son to take into school.

TV shows like Comic Relief and Children in Need make me realise how lucky I am.

I wish more folk in positions of power, or with a lot of money, would do more to help out so we didn't have to rely on people giving up their hard-earned cash to make a difference.

Stone me, Sharon! What's your secret?

WHATEVER Sharon Stone is doing, I want in – I saw a photo of her and Bo Derek in the papers recently and they both look absolutely incredible!

Sharon is 59, but she doesn't look a day over 40. Her skin, her boobs and her figure are all still as good as they were in her heyday.

She has definitely aged with grace and really looked after herself. (I do think she's probably had a little bit of help here and there, though!)

Bo Derek on the other hand looks great, but you can really tell that she hasn't taken good enough care of her skin in the sun.

But I hope I look as good as they do when I'm their age!

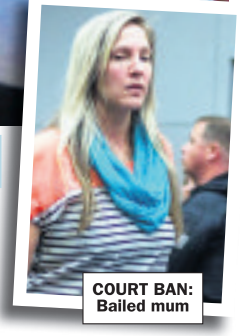
MARRIED MUM'S '15 SEX ROMPS WITH TEEN BOY'

She sent him naked selfies, court is told

SEDUCER: Lajiness is accused of seeking out minors for sex

IT AIN'T GONNA LICK ITSELF



COURT BAN: Bailed mum

By JESS GALLEY
jess@sundaysport.co.uk

A MARRIED mum confessed to BONKING a teenager up to 15 times in her car.

Brooke Lajiness admitted romping with the 14-year-old schoolboy between eight and 15 times, after their illicit affair was uncovered.

The 38-year-old is also accused of seducing the lad by sending him NAKED selfies over the internet during the summer of 2016.

Assistant Washtenaw County Prosecutor John Vella said: "This case involves a defendant seeking out minors for sex."

Obscene

Lajiness was arrested after the boy's mother went to the police and told officers that the woman was sleeping with her son.

Lajiness has been charged with 13 counts of criminal sexual conduct and one of accosting a minor for immoral purposes, as well as one charge of sending obscene nude photographs.

Most of the offences are believed to have taken place in the back seat of Lajiness' car while it was parked in a driveway in Michigan, USA.

A police spokesman said: "The two of them started conversing and exchanging nude photos while he was still in middle school."

Lajiness' husband David is believed to be standing by her after 16 years of marriage and was with her when she appeared in Pittsfield District Court.

Lajiness is out on bail while she waits to stand trial but she is banned from being near school property or any minors, except her own children.

She is not allowed to use computers or social media websites, or take alcohol or drugs.

Sentence adjourned for niqab attacker

THE sentencing of a man who pulled a niqab off a woman in a shopping centre and yelled: "You are in our country now, you stupid fking Muslim!" has been adjourned.**

Peter Scotter, 55 (*left*), of Roker, Sunderland, was due to appear at Newcastle Crown Court after admitting racially aggravated assault by beating and racially aggravated harassment.

But the case was adjourned in his absence until May 2.

He has recently undergone cancer treatment.

Both offences were based on his hostility towards a particular religious group, namely Islam, the court was told.

WHO WROTE MURDERED HOOKER SALLY ANN'S MESSAGE?

Prostitute's postcard revealed as fake 20 years on

But no-one compares

Love Sally

NEVER FOUND: Sally Ann, and card said to be from her (*above*)

By ROD MINCHIN

news@sundaysport.co.uk

A POSTCARD allegedly sent by a murdered woman shortly after she disappeared more than 20 years ago is a fake, according to police.

Sally Ann John, then aged 23, went missing while working as a prostitute in Swindon's red light district in September 1995.

Wiltshire Police said analysis of the postcard has led detectives to conclude it was not written by Miss John but its true author is unknown.

Police disclosed the existence of the postcard, sent shortly after Miss John disappeared, on BBC1's *Crimewatch* this week. The postcard, which is marked "2 Oct 1995", was sent to someone known only as "Clive" and purports to be from Miss John, who says she is living in London.

It says: *"Dear Clive, Thought I'd write as I heard you've been missing me and that you were rather worried that something had happened to me. As you can see I'm in London now. But no one compares to you Big Boy. Love Sally xxxxxx"*

A forensic expert said on that an analysis of Miss John's handwriting had proven the postcard was a fake.

Miss John's mother Lesley told the programme: "I thought something must have happened to her because she left all her things, everything she owned in the flat she lived in. She didn't take anything with her."

The night Miss John disappeared she had been working on the streets between the bus station and train station in central Swindon. She was last seen at around 10.50pm.

Her disappearance was initially treated as a missing person's inquiry but police launched a murder probe in 2014. Her body has never been found.

The following year three men were arrested on suspicion of kidnap and murder and later bailed.

Police are offering a reward of £25,000 for information.

Shirley put cocaine in her coffee

HOLLYWOOD icon Shirley MacLaine once swapped sugar for COCAINE in her cup of coffee.

The 82-year-old *Terms of Endearment* star (*above*) revealed she mistook the Class A drug for sugar at a party and stirred a heaped teaspoon into her drink.

Shirley proudly admitted that she'd never indulged in drugs – except for that one mishap.

She said: "I've never done drugs.

"I think of those times when my buddies would go in the bathroom and I'm left alone in the living room thinking 'What are they doing? Why am I alone?'

"They were doing drugs.

"But at a party once, the hostess served cocaine in a silver bowl. I didn't even know what it was.

"I thought it was a sugar substitute and put a spoonful of it in my coffee.

"It really put me off coffee for a while."

Man sells girl's sex pics to bro

A SICKO has been arrested for trying to sell NAKED photos of a teenage girl to her own BROTHER.

William Tolley, 56, bought a mobile phone from the girl's former boyfriend and found explicit videos and photos of her on it.

But instead of deleting the X-rated images Tolley tried to sell them.

After scrolling through the phone's saved contacts, Tolley texted the teenager's brother and attempted to sell him nudes of his own sister.

The text reportedly read: "Hey, tell (your sister) I got her old phone, and I really loved the pictures and videos of her that she had on it.

"(You) want to see her naked, don't (you)?"

He then requested $10 for each photo and $30 for each video from him.

Tolley, of Mims, Florida, has been charged with possession and viewing of child porn and is in jail.

Leonora LOVE

By JESS GALLEY

jess@sundaysport.co.uk

LUSTY Leonora Love says she gets a real thrill out of RECORDING herself in action in the bedroom.

The 26-year-old glamour babe confesssed she gets off by recreating some of her favourite PORN movie scenes with her lover, in front of the camera.

And Leonora, from Maidstone, Kent, said she can’t get enough of watching her own sex tapes back to get herself in the mood.

The 32DD babe said: “Making little sexy movies can be really fun.

“Me and an ex used to watch adult films together and then recreate some of our favourite scenes.

“It was never any of the really hard stuff. In fact, sometimes we would just do a bit of role play and not even have sex!

“After we were finished filming ourselves, I’d put it up on the big TV and let him enjoy watching it all over again.

“That always went down well, I can tell you!”

Brits bonk less than 20yrs ago!

By BECCA STUBBS
becca@sundaysport.co.uk

MILLENNIALS are having less sex now than adults were 20 years ago.

A new survey shows those who are now adults, and were born between 1982 and 2004, are having sex nine times less a year than people did in the late 1990s.

Researchers from San Diego State University and Widener University quizzed almost 27,000 people between 1989 and 2014.

Results showed that the percentage of adults between 20 and 24 who didn't have a regular shagging partner had doubled between those born in the 1960s and those in the 90s.

Unsurprisingly, those people with a steady partner throughout their lives, whatever their age or generation, had sex more often than single people.

However, the results showed that as the years go on, adults are bonking less every year with nine fewer yearly bonks in the 2010s than in the 90s.

People born since 1995 are shagging less than people did who were born in the 1930s.

Porn

Experts reckon the decline in sex is down to younger people not getting married and having no steady lover in their lives, which they say is a life choice.

They claim the reluctance to marry and settle down is due to not being able to afford to leave home, possibly affecting their relationship status.

Longer working hours and watching porn were linked to an increase in the number of bonks people were getting.

Despite the popular phrase "Netflix and chill" being slang for a quickie, research found that social media and the popular streaming service actually contributed to a decline in the number of romps people had.

Cath Mercer, an applied statistician at University College London, said that the quality of sex that people were getting was more important than how many times they were doing it.

She said: "Of course, quantity does not necessarily equate to quality and so I think a more important question is: 'Are people happy with the sex they do have when they have it?'"

We asked three *Midweek Sport* stunnas how often they have sex and whether they ever experience any modern-day distractions…

Anissa Kate says…

'I AGREE that the quality of a bonk is better than the amount you get. I'd rather have a good seeing-to than a few quickies any day – at least that way I'll actually have a good orgasm.'

Joanne Greenhill says…

'SOCIAL media is a massive distraction but only because I can find tons of fit blokes on there to hook up with!

If I don't get a shag, I'll just watch porn and do it myself – it's my choice to be single!'

Sorry fellas, bigger willies are the best!

By JESS GALLEY
jess@sundaysport.co.uk

IT will probably come as no surprise that blokes with BIG COCKS give their partners more ORGASMS.

A new survey has revealed that well-hung fellas give their female lovers more satisfaction than those with shorter willies.

The study was carried out by boffins at the Journal of Sexual Medicine and it put an end to the age-old debate as to whether bigger really is better.

Vagina

Scientists quizzed women about their sex lives and their experiences between the sheets with men who boast longer than average penises.

A source said: "Male anxiety about penis size may not reflect internalised and culturally arbitrary masculine stereotypes, but an accurate appreciation that size matters to many women.

"This might be due at least in part to greater ability of a longer penis to stimulate the entire length of the vagina, and the cervix."

The findings showed clearly that the longer the manhood, the more times the woman climaxed.

We asked *Sport* stunna Alyssa Callow, from Taunton, whether she agrees with the rule that bigger is better in the trouser department.

Intense

The 20-year-old glamour babe said: "Of course size matters! Sorry guys but any woman who tells you otherwise is just trying to spare your feelings by lying to you!

"I have experienced all shapes and sizes of penis over the years and I definitely agree with the survey, as I always had really intense orgasms with well-hung partners.

"They can just reach all the right places!

"Given the choice I would obviously choose a bigger dick any day of the week than a small one, but there is such a thing as too big of course."

‘I love to do a lot of yoga which keeps me flexible’

MY SEX FANTASY WITH... RACHEL COLE

RAUNCHY Rachel Cole doesn’t just get top marks for her looks.

As a former top gymnast and trampoline champion she’s also super FLEXIBLE.

Forget boring old missionary, with Rachel’s toned physique and perky 32Cs she can happily be bent into all kinds of kinky and interesting positions!

Fantasies

The 27-year-old glamour babe, from Basingstoke, said: “I trained for years in gymnastics and trampolining. Now I do a lot of yoga, which keeps me flexible.

“It definitely helps when it comes to sex – I can get my body into all kinds of positions.”

By JESS GALLEY
jess@sundaysport.co.uk

And the Bluebird TV presenter revealed she’s not shy when it comes to sexual fantasies.

She confessed: “I would really love to get down and dirty while up in the air, and join the Mile High Club.”

And although we’re sure she’d have no problems getting her lithe limbs into the perfect position in an aeroplane’s loo, Rachel has other plans.

She said: “I wouldn’t want to do it in the toilets though – that would be far too cramped.

“In my fantasy I’d ride my man really hard in the aisle and I wouldn’t care less who was watching!”

THE WORLD FAMOUS AGONY Page

Dear Bexi,

I WORK as a delivery driver for a garden centre and recently had to take some fencing to a stables.

When I arrived, the only person around was a young stable woman. She told me where to put the wood and I became quite aroused as I watched her cross the yard to the stables in her tight jodhpurs.

When I had almost finished unloading, she appeared at my shoulder and asked if I needed any help.

She manhandled a few pieces and I gazed at her arse straining in her tight kecks. The lass looked gorgeous and when she offered me a "free ride" with a wink, I knew what she meant.

So we almost ran to the stables, where I banged her over a few bales of hay. The next day there was another large order for the stables – which I had to deliver – and we ended up shagging again.

I later learned the place is owned by her rich dad. She's keen on seeing more of me, but I've got a steady girlfriend.

What should I do?

TF, Bucks

Bexi says…

KEEP mounting the pony girl – she's not going to take offence!

Dear Bexi,

I WAS sat in the kitchen searching the web on my laptop for a recipe to make something special for my hubby's tea when I pressed the wrong keys by mistake and up came a site for food-sex.

I'd never seen hardcore nookie on the net before and I was really intrigued by a video of two naked women pouring chocolate and cream over each other.

They sensuously rubbed the mixture into each other's intimate parts and then began to lick it off slowly.

To my amazement, I felt a hot thrill go through me and I was soon extremely aroused as the two gorgeous women did the filthiest things to each other.

And I was so mesmerised I didn't hear my fella come in. He saw the site and without a word bent me over the kitchen sink and we had the best action we'd had in months.

Since then we regularly share net porn – and our lovemaking has never been better!

CL, Cumbria

Bexi says…

I BET your hubby plays with your mouse a lot more now, too.

Our sex is a cut above

Dear Bexi,

WHEN a new hairdresser's shop opened in town, the girl running it looked so gorgeous that I decided to give her a go.

She could tell I fancied her and as she cut my hair she would tell me what filthy sex things she got up to with the two men she had on the go at the same time.

I started getting a grade three cut – just so I could justify visiting her every other Monday – to get all her gossip, which I'd remember later on and wank over when I got home.

Anyway, a couple of weeks ago I just couldn't take my eyes off her big tits as she gave me another trim – she had a really low-cut top on and I soon had a massive bulge in my pants, which she noticed straight away.

She just smiled at me before asking me quietly if I fancied a f**k round the back while no one was watching.

So we casually sauntered off through the shop and out the back, where she took her skirt and knickers off and rode me in a chair.

Since then, we've been shagging every time I visit, but the missus has found out and told me to choose between them.

Please help.

TB, Avon

Bexi says…

IF you leave your wife, it might not be just your hair that's cut off!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

We loved taking plunge with randy pool babes

Dear Bexi,

ME and my best mate work as lifeguards at our local swimming pool.

One day, while on the very early shift, two gorgeous birds in their early 20s turned up who wanted to do a couple of lengths before work.

We explained that the pool wasn't actually open yet, but a quick flash of their fantastic melons quickly convinced us that it would be uncharitable to turn them away.

So we opened up and waited as the girls, a blonde and a redhead, went off to get changed.

We were both gobsmacked when they returned in what must have been the tiniest bikinis ever made.

Steamy

After a few minutes of us ogling their curves, one of the girls commented on the bulges in our trunks.

Then the redhead asked us if we'd like to join them in the deep end and we jumped in with them.

After a few minutes frolicking around and flirting, the babes whipped their bikinis off.

Their pert boobs were jiggling up and down while the rippling water partially hid their furry cups.

We followed suit and then my mate suggested we all go for a steamy sauna.

The girls got out of the pool slowly and sensually, allowing me and my mate to take in their athletic figures.

The blonde was very lean and lightly tanned, while the redhead was china-white with rosebud lips.

We watched as the two naked babes followed the signs to the sauna – all the time imagining what it would be like to give them a good shafting.

Well, things got really hot and steamy in the sauna and soon we were just a writhing and sweaty mess of arms, legs, boobs and cocks.

The redhead grasped my knob and wanked me off quickly into her mouth while my mate went down on the blonde and finger-f**ked her frantically to a screaming orgasm.

Then the girls sucked us off for a bit before bending over a wooden bench so we could bang them hard from behind.

Afterwards we all took a soapy shower together before we said goodbye to the girls and me and my mate went back to work shattered but very contented.

These early morning sessions have been going on for a few weeks now, but the problem is that me and my mate are finding it hard going.

We have both been caught later in the day snoozing when we should have been on duty.

We've had an official warning, but I don't want to give up boning these babes at the pool.

What can we do?

AL, Kent

Bexi says…

GET yourself to bed earlier at night and get the most out of these water nymphos while you can – you lucky, lucky fellas!

Golden oldies were gummy and yummy

Dear Bexi,

A COUPLE of weeks ago I pulled a pair of game old birds who are in their late 50s – I'm nearly half their age at 28.

I haven't had much luck with the ladies lately because of an unfortunate personal hygiene problem which, I'm glad so say, I have now sorted.

Anyway, I took these horny women back to my flat and we shared a bottle of wine as we chatted about all things to do with sex.

Sucking

Things started to heat up a bit when both ladies got chatting about how much they like giving blowjobs and I could tell they were looking at the growing bulge in my trousers.

But I had to stay patient as they started arguing between themselves about what the best technique was.

Anyway, it wasn't too long before they stripped off and told me in no uncertain terms to get my pants off so they could demonstrate their sucking skills on me!

I licked them out first and then invited them to get to work on my rock-hard cock.

They were just about to when, without warning, they took their false teeth out.

I was shocked. It would have made lesser men limp, but I stayed firm.

They both gummed me and, I have to confess, it was brilliant.

I then boned them both every which way up until I was exhausted.

I'd love to see them again, but my mates know about the "gummy girls" and have been taking the piss out of me.

What should I do?

KH, Essex

Bexi says…

IGNORE them and keep at it with these golden oldies.

AGONY QUICKIES

Dear Bexi,

MY dick always reacts to the prevailing weather.

If it's a cold day, my manhood shrivels.

But if the temperature rises, then my tool rises like the sun.

This has made my shagging schedule rather erratic – given the typical British weather.

Any ideas?

BB, South Yorks

Bexi says…

MOVE to sunny Spain and shag some senoritas.

Dear Bexi,

I'M a 29-year-old bloke and my girlfriend's 19-year-old daughter keeps coming on to me!

I've been living with her mum for six months and every time me and the daughter are alone in the same room she rubs up against me and flashes her thong at me.

She's a stunna and I certainly wouldn't mind banging her.

But me and her mum have a good thing going.

What should I do?

LR, East Mids

Bexi says…

SAY you're not interested.

TEAGAN

MANCHESTER lass Teagan is the pick of long-time *Sport* reader Nicky Holt, who told us spending a night with the 29-year-old glamour babe would be his ultimate fantasy.

Nicky, 37, from Telford, Shropshire, said that he gets a stiffy just thinking about hopping into bed with Teagan and getting to grips with her 34DDs – even if it is just a dream.

He said: "Teagan has a look in her eyes that just says, 'I could show you a good time!' and I would love to find out first-hand.

"Sadly though, I think I will have to settle for another sexy topless photo of her to satisfy me, for now at least!"

SU BAILEY

BLONDE beauty Su Bailey might only be a perky 32B, but Glaswegian delivery driver Steve reckons they'd make the perfect handful.

Steve McIntosh, 46, emailed in to ask for a saucy snap of the 20-year-old model, who's from Reading, Berks.

He said: "Su is absolutely gorgeous, she's a real 'girl next door' type with natural beauty and lovely little boobs!

Do me a favour, I'd love to see them in the paper again soon."

STACEY SARAN

BUSTY Stacey Saran is always a favourite amongst our readers, thanks to her eye-watering pair of 30F sweater-stretchers.

And the latest fan to request a topless shot of Stacey, from Caerphilly, is fellow Taffy David Jones, 29, who hails from Cardiff.

Pharmacist David said: "Stacey is a real Welsh beauty and I would love to see more of her in the newspaper.

"She has an absolutely cracking set of knockers and I don't think she gets half the attention she deserves.

Come on *Midweek Sport*, give us Welshmen something to show off about!"

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

GENTLEMEN'S CLUBS

SPEARMINT RHINO BABE OF THE WEEK

Lexie GOULD

By JESS GALLEY jess@sundaysport.co.uk

BUSTY babe Lexie Gould is looking for a fella who will treat her like a lady outside of the bedroom but DOMINATE her between the sheets.

Lexie told us she's quite old-fashioned when it comes to dating and is willing to look after her man – as long as he repays the favour and keeps her satisfied behind closed doors.

She said she'll treat her man like a 'king' but only if he treats her with respect.

Gorgeous Lexie, from Brighton, said: "I want a man who will look after me and spoil me with meaningful things!

Satisfied

"He has to treat me like a lady but like a sex slave inside the bedroom. He needs to be confident and dominate me.

"I love being tied up and I have a really high sex drive, so its important the men I date do as well.

"I need to be satisfied every day!

"I am old-fashioned and believe in looking after yourself for your man, looking after your man and the home... but not for a lazy man who doesn't respect me!"

The 32C stunna is our Spearmint Rhino Girl of the Week and stripped off for this jaw-dropping topless photoshoot.

Spearmint Rhino has a number of gentlemen's clubs around the world which boast the most beautiful dancers.

But if you can't make it to one of the venues, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike Rounds.

Flops look right on Cue for Aintree

TIZZARD PAIR GET ANOTHER CHANCE AT NATIONAL FESTIVAL

CHAMPION: Sizing John

GRAND NATIONAL favourite Minella Rocco has been ruled out of the race. He was backed again for Aintree after finishing second in Friday's Cheltenham Gold Cup. Trainer Jonjo O'Neill said: "Minella Rocco has been taken out of the Grand National this morning.

"He's absolutely fine and we'll aim him at the Gold Cup again next year.

"He had a hard race in the Gold Cup."

CUE Card will try to bounce back from his Gold Cup fall at Aintree next month.

Trainer Colin Tizzard has confirmed that his star chaser — and stablemate Native River — will both line up at the Grand National meeting.

Cue Card came down at the third-last at Cheltenham for the second year in a row but he looked a beaten horse this time. Native River fared better, coming home third after finding the pace a bit quick in the closing stages.

By MIKE FRANCIS

While many would prepare such an obvious stayer for a future tilt at the National itself, Tizzard is adamant that the Betway Bowl is the ideal race for both his stars.

He said: "Cue Card didn't look like he was going to win when he came down, but if you watch the replay of last year's race he didn't look to be going anywhere at the fourth-last and then at the third-last it looked like he'd just jumped in.

"He wasn't going as well as last year, but he's come back fine and that's the main thing.

"Native River ran his race I think.

"He got nutted for second and the winner Sizing John is a very good horse.

"We'll see how they are nearer the time, but they could both go to Aintree, or one might wait for Punchestown.

"Having said that, we know Cue Card is effective over two and a half miles as well, so he has the option of the Melling Chase at Aintree, too."

We won't be seeing Sizing John at Aintree with trainer Jessica Harrington happy to wait for the Punchestown Gold Cup on April 26.

The Gold Cup hero has come out of the race well and all plans point to the big Irish festival for the home favourite.

Harrington said: "Sizing John has come out of his Cheltenham race very well and we were obviously thrilled with how everything went.

"So we have decided that our next step is to go to the Coral Punchestown Gold Cup at the end of April. That seems the most sensible thing to do."

OLD FOE: Noble

Salford thrown to Wolfpack in cup tie

RUGBY LEAGUE

SALFORD coach Ian Watson is not looking forward to taking on Toronto in the Challenge Cup.

The Reds have been paired with new force Wolfpack in the fifth round.

Although it's a home match, the Salford boss knows his team is on a hiding to nothing against the newcomers.

They have made a good start to their season and have plenty of experience on hand, including director of rugby Brian Noble.

Watson said: "It's a real tough one for us.

"I don't think we could have had a tougher draw even with teams like Leeds and Huddersfield coming in.

"They're a good team, a well-coached team. I know their coach Paul Rowley pretty well.

"We had a training session against each other in pre-season which was a real good hit-out so we'll be well aware of little bits of how they like to play.

"They threw some good stuff at us that day and caught us a little bit at times."

Stranger

The Wolfpack have the aim of joining Super League and have already knocked out Championship side London Broncos to get this far.

Noble is no stranger to Challenge Cup success having won it as Bradford coach.

He is looking forward to taking on one of his former clubs.

Noble said: "It's a fabulous tie; we'll look forward to that.

"They're a top-six Super League team who are playing really well and have a smattering of stars.

"We're clearly the underdogs but we want to put a marker down."

Toronto have started in League 1 this season with two wins from their opening two games.

There are some other tasty ties including Leigh v Hull KR as the Robins get their first chance to play a Super League side since being relegated.

Most of the big guns, including defending champions Hull come in at the next round.

■Fifth-round draw: Leigh v Hull KR, Featherstone v Oldham, Leeds v Doncaster, Salford v Toronto, Whitehaven or Oxford v Halifax, Dewsbury v Batley, Huddersfield v Swinton, York v Barrow.

THE WINNING POST

Get off to a real Flyer

By BEN MORGAN

BYRON FLYER (NAP) will count himself very unlucky not to maintain an unbeaten record on the Flat.

He was well punted the last day but was subject to tactical misfortune where the leaders went no pace early on, which led to a sprint at the end of the race and Ian Williams' charge got racing far too early which set the race up for a finisher.

Plenty

Since then he has passed up numerous engagements over jumps and this race looks well within his grasp off his current mark.

As there are some more fancied runners in the field he may well go off at an each way price. Very good chance.

Wick Powell never looked like being caught by HEMINGWAY at Newcastle last time but the latter now bids to turn the tables receiving just over a stone from his conqueror.

It was Kevin Ryan's inmate first run of the season which he would have come on plenty for.

He was well regarded last year after being well supported in all his starts which is a trait of the stable when they think they've got a good one, so that has to be a positive.

With a winter on his back, a run under his belt and a flyweight on top, I expect a bold showing.

It has taken BUTTERCUP a bit of time to get used to fences, but she seems to be putting it all together as of late and can strike.

A comfortable win at Towcester was followed by a facile success at Warwick, albeit back in mares company, and although it looks like she has a bit to find on ratings with her opponents today I suspect she may well put up another good show.

Being only a six year old she has plenty of time on her side which could mean even more improvement to come, and like any Venetia Williams horse, she loves soft ground so the tacky ground at Haydock today will be right up her street.

VEAUCE DE SIVOLA has such little weight on his back today at Warwick that he will think he is running loose.

He returned off a mini break in good form when winning at Lingfield which suggested that this extra distance won't be a concern.

His jockey's 10lb claim will help negotiate the stamina sapping ground. Nice chance.

Yorkies regain their Ballance with new deal

CRICKET

YORKSHIRE skipper Gary Ballance has signed a two-year extension to his deal with the White Rose county.

It puts an end to any speculation that the 27-year-old England international would leave next year at the end of his contract.

The Zimbabwe-born left-hander has played in 21 Tests for England and has clocked up four hundreds.

SIGNED UP: Ballance

Although he has dropped out of the first XI, with county colleague Joe Root now captain of England, there's every chance he will get a call-up at some point this summer.

The 27-year-old left-handed batsman, born in Zimbabwe, previously had a year remaining on his deal.

A Yorkshire County Cricket Club statement said: "Club captain Gary Ballance has signed a two-year contract extension, keeping him at Headingley until end of 2019."

Ballance can now concentrate of getting Yorkshire back to the summit of county cricket.

They finished third in the first division last term and their skipper is determined to have the pennant flying over Headingley again soon.

He said: "The new deal has come at the perfect time for me. I can now focus on the captaincy, batting and scoring runs. There are no outside worries. For me it's all about focusing on the main task; scoring runs and winning matches."

Head coach Andrew Gale said: "He's one of the best batsmen in the country and his record backs that up."

'Selfish' Rory up for Match Play challenge

GOLF

RORY McIlroy says his selfish streak makes him the perfect matchplayer.

He is hoping that quality stands him in good stead as he bids to regain his World Match Play title last won in 2015.

He has been drawn against Gary Woodland, Emiliano Grillo and Soren Kjeldsen in the group stages at Austin Country Club.

RUTHLESS: McIlroy

McIlroy summed up what makes him so good as this Ryder Cup-style knockout format.

He said: "I think a ruthless streak, selfishness, in a way.

"And pride. I'm too proud to be beaten. I won't let anyone get up on me. I think too much of myself to let anyone do that to me.

"So that's why I've always enjoyed match play because you can get yourself into a bit of a dogfight out there.

"Some guys think that you can wear your opponent down by putting them under pressure on every hole.

"Hitting every fairway, hitting every green and being really consistent. That's one way to play match play.

"But then the other way is you can be a bit erratic, but if your short game is saving you, and you're holing putts and you're getting it up and down from bad positions, that can frustrate your opponent as well.

"I would probably be in the former of those two categories.

"I feel I can wear my opponents down just by hitting quality golf shots and mentally beating them by them saying to themselves, this guy isn't going to miss a shot today."

WORLD CUP QUALIFYING ACTION

RARING TO GO: Tom Cairney wants to prove his worth to Gordon Strachan

By BRENDAN MACKIE

TOM CAIRNEY believes he is in the Scotland squad to stay.

The Fulham midfielder has pulled on the blue shirt at under-19 and under-21 level — but this is the first time he's been called into the full side.

Cairney is from Nottingham but his dad is Scottish. And he is proud to be part of Gordon Strachan's squad to take on Canada tonight.

The 26-year-old said: "I don't want to be a flash in the pan.

"I want to be here for a number of years and a part of the squad for a number of years, as tough as that it is.

"Once I am in I would like to stay in if I can.

"I wanted it for a long time but to get the call-up was quite surprising in a way.

"I was waiting for international breaks and it has never happened so when it happened for the first time, no matter how the season has gone, is surprising.

"I thought it would happen at some stage, it is just nice that it is finally here.

"A few boys kept saying to me last season and this season 'when is it happening?'

"But obviously it is out of my hands. I did what I normally did and thankfully that is enough."

Cairney may have an English accent but he says his heart has always been north of the border.

He added: "I used to come up and visit my family in Glasgow and used to get Celtic kits. I have good memories.

"It is harder to come up these days being in London but I had very good times here.

"My dad, especially, is a big Scotland fan and as soon as I got called up it was a proud moment for him."

Scotland take on the Canadians tonight with the much more important weekend test against Slovenia on their mind.

Pressure

Strachan's men know they must win at Hampden to have any chance of making the World Cup finals.

That is turning up the pressure but Cairney is adamant that he can handle it.

He added: "I have never had a season as good as this one. I owe a lot to the man-

TOM HAS CAN-DO ATTITUDE

ager Slavisa Jokanovic and staff at Fulhman as well for that but I feel confident and if the gaffer wants me to play I will be ready.

"A few managers over the past few seasons have played me on the right wing.

"I can play there but I never felt it was my strongest position.

"I have been playing in the middle of a three and it is more natural to my game.

"That is a big factor to my form this season and I have enjoyed it a lot."

Cairney is likely to start against Canada but there will be no place for Stuart Armstrong. Strachan wants to save the Celtic hotshot for the more important business at the weekend.

The 24-year-old has hit 12 goals for the Bhoys this season, including three in his past four games.

Strong

The boss is hoping he can translate that form to the international stage against Slovenia.

Strachan confirmed: "Stuart won't play on Wednesday. He's playing really well at the moment.

"I would have no qualms putting him in against Slovenia. A lot of them are the same. You look at some areas of the team – midfield, out wide – and think that's strong.

"What you've got to look at is if your strikers are not playing well. That's why I keep going on about this bigger striker that has evolved through Europe.

"Unless you've got a Messi, Suarez or Aguero, generally there is a bit of presence around the place.

"These guys are made for a role where their teams can play varied football.

"What they do is bring other people into play – and other people score goals."

Six Nations put lid on George North bite row

RUGBY UNION

THERE will no further action taken over the alleged bit on George North during Wales' crazy defeat to France in the final Six Nations game.

The 20-18 defeat for the Welsh side went on for 100 minutes with a series of controversial incidents marring the match in Paris.

Dragons coach Rob Howley was adamant that North had bite marks on his arm and the winger himself showed the injury to the referee Wayne Barnes during the match.

He asked the telly ref to have a look for any suspicious incident but he couldn't find a clear picture of any biting offence.

But a statement from Six Nations Rugby said citing commissioner John Montgomery was "not able to conclude that any particular individual carried out an act of foul play", having "carefully reviewed all relevant evidence".

The statement added: "Accordingly he has not made a citing complaint ahead of the ordinary deadline for doing so, ie within 48 hours after the match.

"While the rules provide that in certain circumstances, for example where the citing commissioner is uncertain of the identity of the player, he is permitted to make a complaint after the deadline, Six Nations Rugby anticipates this will be the end of the matter in terms of the alleged bite."

There could still be action over the substitution of Uini Atonio who was replaced — supposedly injured — as 20 minutes was added on at the end of the mad match.

ONCE BITTEN? George North

Warrior Sean calls time on rugger career

RUGBY UNION

SCOTLAND'S third most-capped player has decided to hang up his boots.

Veteran wing Sean Lamont will play his last game for Glasgow Warriors at the end of this season.

He made 105 Test appearances between 2004 and 2016.

But the 36-year-old says he'll call it a day in a couple of months — but he doesn't sound totally convinced!

He said: "Unless they beg me to stay another year, I think I'm done.

"I have had a great run and enjoyed every single moment but it is time to step aside.

"I am not going to flog a dead horse, although some might say I've been two years dead anyway!"

Lamont was part of the first generation of big, powerful wingers when he burst on to the scene with Rotherham in 2000.

He turned out in the colours of Northampton and the Scarlets before heading home to the Warriors.

Lamont added: "I love the sport, I love being in it and I love the guys I work with.

"But I just don't have the gas any more.

"I can't get through those holes I see. I can still truck it up a distance, but there is definitely a blunting of the axe.

"It is disappointing it is coming to the end but I am 36 and I have done pretty well considering, when you look at the guys in the Scotland squad.

"Even if I was just arriving at my peak I don't think I would get in the current Test match side."

I KANU STILL DO IT

Benched Dragon keeps the faith in his ability

FINEST HOUR: Robson-Kanu at the Euros

HAL Robson-Kanu says a season sat rotting on the West Brom bench hasn't dented his resolve.

The big striker earned a move to the Premier League thanks to his winning goal against Belgium for Wales in last summer's Euro finals.

It was an amazing turnaround for a player who went into the tournament without a club having been released by Reading.

He has made just two league starts for the Baggies as he's struggledto make an impact on the top flight.

By JOHN ANTHONY

Despite that, Robson-Kanu is adamant he can carry a big threat for club and country.

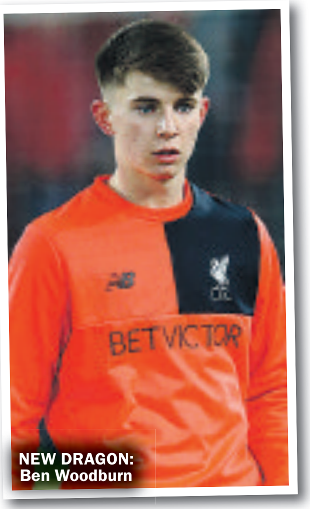
He said: "Competition for places is tough, but that's what you want.

"It's part of the reason why we've done so well. We've got a small squad, but there's really good quality within that squad.

"Everyone is working towards positive competition. That's what you need at this level.

"I believe in my quality. I've proved what I can do at this and international level and, when I come on, I'm confident of the impact that I'll have."

Robson-Kanu is in the Wales squad for their crucial World Cup qualifier against Ireland in Dublin on Friday night.



NEW DRAGON: Ben Woodburn

He wants to make the most of any opportunity Dragons boss Chris Coleman gives him — even if he will probably be on the bench again.

Robson-Kanu said: "It's always frustrating when you're not starting matches.

"But the manager will tell you I've been working my socks off in training, keeping everyone going."

Coleman has been involved in a minor spat with Liverpool manager Jurgen Klopp over calling up 17-year-old Ben Woodburn.

Mind

The Kop boss went on record to say he was surprised that the Welsh gaffer didn't speak to him before picking the teenager.

But Coleman says he would never ask the opinion of a club boss before bringing a player in the Wales set-up.

He said: "I make my own mind up about a player.

"I understand when you pick young players then clubs go, 'Oh, calm down' but I make my own mind up.

"No matter how old he is, if he is good enough and I think he has something to offer us and can help us in this challenge then I am going to pick him.

"That's no disrespect to Jurgen or anybody else who say maybe he's not — but that's their opinion.

"He belongs to them but I've got a job to do for Wales and I have to pick my strongest squad.

"At the minute from what I have seen he belongs in our strongest 23. That's why he is there."

IRELAND CRIPPLED BY INJURIES

By PAUL THOMAS

IRELAND boss Martin O'Neill might have to put his boots on after yet another of his squad pulled out with injury.

Striker Daryl Murphy is the latest to be ruled out of the World Cup qualifier with Wales.

The Newcastle striker had a calf scan on Monday and the news came back last night that he wouldn't be fit for Friday.

He joins central defenders Shane Duffy and Ciaran Clark and midfielders Wes Hoolahan and Harry Arter on the easy list, with Robbie Brady suspended for the game.

Everton midfielder James McCarthy is another who had a scan — on a troublesome hamstring — and he's touch and go to face the Dragons.

There were other players missing from training yesterday too — with Seamus Coleman, Jonny Hayes and Shane Long all sitting it out.

At the moment, it looks like all three will be fit for Friday night.

O'Neill knows he will have to turn to players with less international experience in such a crucial game.

The likes of Eunan O'Kane, Callum O'Dowda, Jonathan Hayes or Daryl Horgan and Conor Hourihane could be in the line-up if any more players fall by the wayside.

O'Neill said: "Perhaps throwing someone in at the deep end might not be as severe considering they should know the players a wee bit better than maybe going to a game in Belgrade or something like that."

The Ireland manager is particularly sore about Brady being banned.

Even more so because the Burnley wide man picked up a yellow card for an act of petulance.

O'Neill added: "We are missing him because he has thrown the ball away in Austria. Robbie said that he hadn't known he had already picked up one yellow card — well you think that would be pretty foremost in your mind.

"There are only two!

"That was kind of daft but it would be nice if he had have been available because he is actually fit, so that is the irony of it all. So there we go.

"The way the campaign has gone so far we're riding the crest of a wave but I'm sure there'll be ups and downs.

"We're not a Spain or a Brazil, or someone like that, winning every game easily, cantering through the group."

WALKING WOUNDED: O'Neill

NO MOVE: Wenger

Wenger: I'm not next PSG manager

ARSENE Wenger has "formally" denied that he's joining Paris St Germain.

The Arsenal boss has promised to clear up his future at the Emirates "very soon" with insiders saying the Frenchman wants to stay for at least another season.

There will be no announcement during the current international break though.

PSG have wanted Wenger as their boss for years and would be the natural destination should he want out of north London.

But he has poured buckets of cold water on stories linking him with the French capital.

Wenger said: "It is a false rumour. That is what you call fake news.

"I formally deny it. It is not true."

Although thousands of fans at every Arsenal game have been mounting protests against Wenger, it seems that most of his playing squad don't share that view.

Olivier Giroud has gone out of his way to give his backing to the boss.

He said: "We want to see Arsene Wenger sign an extension.

"To continue the adventure, because we support him. We hope to win the cup and qualify Arsenal for the Champions' League."

Hazard out for 10 days

EDEN Hazard is fighting a fitness battle to be back for Chelsea's game against Manchester City after the international break.

The forward will miss Belgium's World Cup qualifier with Greece and the friendly against Russia.

His international boss Roberto Martinez says it will be 10-15 days before Hazard can play again.

That would mean he definitely misses the league leaders' clash with Crystal Palace on April 1.

And he will be touch and go for City's visit to Stamford Bridge four days later.

The Belgian missed Chelsea's hard fought win against Stoke and has been a key part of Antonio Conte's success in his first season as Chelsea gaffer.

LOOKS ON A WINNER: Lions boss Southgate

England look hard to beat

GERMANY face England in the white-hot atmosphere of the Westfalen looking to avoid defeat against the Three Lions for the fourth successive time at home.

Sven-Goran Eriksson's side famously defeated Germany 5-1 in a World Cup qualifier in Munich in 2001, Fabio Capello's Three Lions won 2-1 in 2008 and last year Roy Hodgson's England came from two down to win 3-2.

Gareth Southgate must do without Harry Kane through injury but I would be disappointed if the Three Lions didn't cause problems for the Germans although Die Mannschaft have only lost one of 18 games they have played in Dortmund.

Liverpool's Adam Lallana has scored in each of his last three internationals and is 15/1 to open the scoring and 19/4 to find the back of the net some time during the 90 minutes.

The Three Lions are 18/5 to win with Joachim Low's side 7/10 and the draw 14/5.

I presumed he had hung his boots up years ago but former Arsenal striker Lukas Podolski will win his 130th and final cap for the hosts.

I am more interested in seeing Leipzig's exciting young talent Timo Werner in action – the player has been strongly linked with Liverpool and is in line to win his first international cap.

We have opened a market at BetVictor on a move for Werner this summer and bet his club after the summer transfer window as:

Liverpool	3/1
Bayern	5/1
Milan	6/1
Spurs	8/1
Arsenal	12/1
Chelsea	12/1
Dortmund	12/1

I don't see England leaving empty handed and the tip is the 11/10 at BetVictor for Gareth Southgate's side to either win or get a draw.

Do note England have only lost one of their last 16 away internationals (Spain November 2015 only loss) and I'm not convinced this is the strongest German side with Bayern keeper Manuel Neuer out.

Sky Sports yesterday suggested West Ham were interested in signing Wayne Rooney but he is still 12/1 to sign for the Irons by the end of September with Everton odds on favourites at 4/6.

★ News yesterday that Gold Cup runner up and Grand National favourite Minella Rocco (10/1 favourite with BetVictor) would miss Aintree and be trained next season with Cheltenham his primary target.

The news came as a shock given stamina is the horse's forte but no seven-year-old has won the race since Bogscar in 1940 and connections must feel now is not the right time.

As a result, Haydock Trial winner Vieux Lion Rouge is the new 10/1 favourite with Cause Of Causes (12/1 from 14s) and Blaklion (12s from 14s) cut following the news of the favourite's defection.

A good card from Haydock to look forward to today and a cracking 2m 4f handicap chase with all five runners first or second in their last start. There is plenty of pace in the race and the hope is that the inform mare Buttercup (3.10) can maintain her recent improvement for Venetia Williams and land her hat-trick.

Future Gilded is interesting reverting to hurdles having run well over the larger obstacles behind a subsequent winner at Warwick last time but marginal preference is for Robin Of Locksley (3.40) who carries a 7lb penalty for a fluent success in a first-time hood at Warwick 10 days ago.

Sammy B is chasing his hat-trick for Lucinda Russell but the handicapper has had his say and he is 10lbs higher than when winning at Kelso last time.

In the Veteran's Chase I think Saroque bumped into a very well handicapped rival at Plumpton last time and he has bits of form that make him look very well treated off his current mark.

That said I'm going to take a chance on Purcell's Bridge (4.10) who was entitled to need his recent Carlisle run following a lengthy lay-off over a shorter trip last month.

The selection is likely to be much sharper for that run and it is worth a check to see what the market says about his chances.

GONE: Basti

Basti ends his glittering stay at Old Trafford

BASTIAN Schweinsteiger seems to have enjoyed his time at Old Trafford a lot more than Manchester United fans did.

The German has secured a move to Chicago Fire in Major League Soccer subject to passing a medical.

The 32-year-old came from Bayern Munich on massive wages but has had no impact whatsoever at Old Trafford.

Despite that, the German says he's sad to be leaving the club at the end of his two years in England.

Basti said: "I am sad to leave so many friends at Manchester United.

"But I am grateful to the club for allowing me the chance to take up the challenge at Chicago Fire.

"I have enjoyed working with the manager, the players and staff here and wish them all the best in the future.

"But I have to reserve special thanks to the United fans — whose support has been a very special part of my time in Manchester.

"I was delighted to be part of the squad that won the FA Cup for them last season and will always remember their energy and their passion.

"Now is the right time for me to start a new chapter in Chicago and I am looking forward to it."

United boss Jose Mourinho is so sad to see Schweinsteiger go that he's letting him leave immediately — before Chicago change their mind!

RELIEF: Mourinho

The Americans have offered him around £100,000 a week in wages on a one-year deal.

That sounds like a fortune but represents a big cut compared to the reported £200,000 weekly he picks up from the Reds.

He's made 35 appearances for the club — for around £650,000 per match!

CAPTAIN MARVEL: Terry

Gaz: I’ll never fill JT’s boots at the Bridge

GARY Cahill says John Terry is an impossible act to follow as Chelsea skipper.

The Blues centre-back is expected to wear the armband for the Three Lions against Germany tonight.

And he has been carrying out the same role at Stamford Bridge while JT has been out of the side under Antonio Conte.

But he admits that he’s finding it hard to fill the legend’s boots at the Bridge.

Cahill said: “I would never try to fill John Terry’s boots. You can never fill that position.

“When I took over as captain this season, either through him not being picked or not being available, it was a privilege to do that.

“Firstly, I have learned from how he manages himself, how he plays and how he does things.

“But secondly, I never thought for one minute, or will ever think, that I’m replacing him.

“He is right at the top and whoever comes in after him is never going to achieve what he’s done at the club.

“Nothing has changed in my game since I had that armband, apart from the fact I’m now 31 and I have learned a lot from someone like him. I will continue to learn from him.”

Whatever Cahill is doing it seems to be working with Chelsea clear at the top of the Premier League and looking pretty much uncatchable.

SKIPPER: Cahill

PROUD: Conte

The manager has heaped praise on his players for quicky adapting to his style of play.

After a sticky start, Conte has employed his tried and trusted three at the back — with Cahill at its heart — and it couldn’t have worked much better.

He said: “My players are understanding my idea of football and they are adapting to my system, my philosophy of football.

“For sure I think we are building something important.

“We have to take 21 points to take the title, otherwise we risk to lose. We have to think positively and take it game by game.

“When you want to win the league, it’s important not to drop points when you play against teams that are medium or at the bottom.”

COME ON LADS: Stones can’t wait to put an England shirt on again

GERMANY v ENGLAND

STONES TO ROAR FOR LIONS

John determined to show England fans he has got what it takes

By PAUL THOMAS

JOHN STONES is determined to show his improving club form for England.

The Manchester City defender has his critics but he's taken a step forward as the season has gone along.

Club boss Pep Guardiola has hailed him as a world-class talent and Stones gets the chance to prove that on England duty this week.

The 22-year-old is set for his 16th cap against Germany and is clearly a man boss Gareth Southgate has pencilled in for a long career in the Three Lions' squad.

Stones is determined to show that Guardiola's raving about him wasn't just hot air.

Massive

And he won't be taking tonight's match in Germany lightly just because it's a friendly.

Stones said: "You can't underestimate any team.

"When you're a kid you learn whoever you play you have to play well and be on it.

"We have the world champions Germany on Wednesday then a massive game to try and qualify for the World Cup against Lithuania.

"We're all grounded and just want to do our job. It's a great honour for everyone.

"We've got to take things slowly and build on what we've done since the Euros.

"Previous to the Euros the record in qualifiers was really good, so we have to build on that and keep going.

"We are striving to do better for ourselves and the country and hopefully we can continue that."

There has been more talk than ever this season about formations with Chelsea effectively playing a back three so well in the Premier League.

As a club boss, Southgate favoured that system and played it himself when Terry Venables was England gaffer.

There's every chance a back three will become the norm and Stones is ready for the challenge.

He added: "We have played a back three a few times at City this season. You have to be flexible in how you can play and how to beat the opposition.

"It's not massively different from a back four, if you start overthinking things you can trick yourself into thinking a back three can't be as solid.

"But with the pace and power we've got for England we're suited with whatever the system the manager throws at us."

Stones can see plenty of similarities between club boss Guardiola and Southgate.

"Neither man is likely to start ranting and raving at half-time, preferring a quieter apprach to get their message across.

Of course, Pep has won every trophy known to man while Southgate has erm, once managed to finish eighth in the Premier League.

But Stones seems a big fan of his international gaffer even if he doesn't have the pedigree of the man in charge at the Etihad.

Brains

He added: "I don't think the managers are too different, which makes it easier for me.

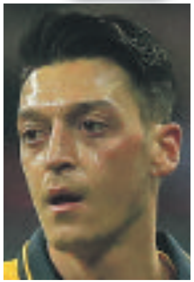
"They both want to play football, they having great football brains and knowledge about the game in many ways.

"The fundamentals of what they want they get across really well and that makes it easier for us as players.

"Gareth has a great click with all the players, which is a great quality as a manager to have.

"Him being a central defender, for me working with him, just the little pointers you get during training – positionally and decision-making – has really helped me out."

GOOD START: Gareth Southgate



OUT: Mezut Ozil

Germany missing key men up front

GERMANY players are dropping like flies ahead of the England friendly.

Arsenal's Mesut Ozil has pulled out along with Julian Draxler and Mario Gomez.

The Gunners forward has a hamstring problem, the same issue that's troubling PSG hitman Draxler.

Wolfsburg striker Gomez has a pulled groin.

There will be a new face between the Germany sticks too with Manuel Neuer pulling out with a calf problem.

Boss Joachim Low said: "Neuer has reported injured, it's the same with Ozil and Draxler.

"They have minor hamstring injuries but it is too much of a risk to play them. Gomez has a groin injury."

Lukas Podolski will captain Germany as he wins his 130th cap.

The former Arsenal man retired from international football at the end of Euro 2016 — but has been persuaded to come back to face England.

That could mean that Germany aren't taking this game that seriously.

Greatest

Low admits it's been hard to fill Podolski's boots.

He said: "He is a unique specimen, no one can really replace him.

"For me it will be a beautiful moment but a sad one because he was one of the greatest players ever to come out of Germany.

"Lukas and myself have gone a long road together.

"We have gone over many hurdles, many tournaments, disappointments but also the biggest joy as coach and player with the World Cup victory in 2014.

"So the stage is appropriate. Germany against England is the right atmosphere."

Podolski is also a fan of Low, adding: "These 13 years together were great and fun years and I am proud of them.

"Maybe the main reason we have done well is that we have a good coach for more than 10 years and after 2004 we started a road which maybe some other nations did not start."

England have had SIX bosses since Low took over the Germans.

Gaz has Lions buzzing says Stones

HAPPY LION: John Stones

By JOHN ANTHONY

JOHN STONES says Gareth Southgate has made the England players smile again.

It's been a tough year for the Three Lions who were an utter embarrassment at the Euro 2016 finals.

Then came the Big Sam Allardyce debacle that saw him leave the hotseat after just one game in charge.

Now Southgate has been charged with making England great again — and Stones thinks he's made a good start.

Ahead of the friendly against Germany, he said: "This is a great place to be. It's lively, which I think is vital off the pitch.

"Gareth is trying to put his stamp on things, but not ignoring the past, which I think is vital. We want to learn and move on, both as a team and individuals."
